- 2) MOTION FOR A MORE DEFINITE STATEMENT PURSUANT TO FRBP 7012(b) FILED ON BEHALF OF SHARON CHEN

**Tentative Ruling:** Hear. In his response to Plaintiff's complaint, Defendant indicates that he intends to dismiss the underlying bankruptcy case. If he does so, this Motion will be mooted as Plaintiff will have no reason to seek an exception from Defendant's discharge - he will not be getting one. If the bankruptcy case is not dismissed, and Defendant intends to continue with the bankruptcy case, the Court will direct Defendant to file an answer which is responsive to the allegations in the Complaint and, as he also asserts an affirmative claim for recovery - or appears to - a counterclaim if he wants to assert one.
